*Fresno, Kings and Madera counties,  
Community Supports and Enhanced Care  
Management Providers, 2022*

# Accessibility Information

Below is information used in the provider directory to indicate accessibility at a provider office or building site. This information is not a promise that every doctor will always have the access that you may need for a disability.

You should call the doctor’s office to talk about your access needs for your disability.

## ACCESSIBILITY REQUIREMENTS:

**Basic:** Facility represents all applicable accessibility requirements, excluding “T”.

**Limited:** Facility is missing one or more of the accessibility requirements, excluding “T”.

Indicator	Definition	Criteria
<b>P</b>	Parking	Parking spaces, including van-accessible space(s), are accessible. Pathways have curb ramps between the parking lot, office and at drop-off locations.
<b>EB</b>	Exterior building	Curb ramps and other ramps to the building are wide enough for a wheelchair or scooter user. Handrails are provided on both sides of the ramp. Doors open wide enough to let a wheelchair or scooter user enter and have handles that are easy to use.
<b>IB</b>	Interior building	Doors open wide enough to let a wheelchair or scooter user enter and have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if present, have handrails. If there is an elevator, it is available for public/patient use at all times the building is open. The elevator has easy to hear sounds and Braille buttons within reach. The elevator has enough room for a wheelchair or scooter user to turn around. If there is a platform lift, it can be used without help.
<b>R</b>	Restroom	The restroom is accessible, and the doors are wide enough to accommodate a wheelchair or scooter and are easy to open. The restroom has enough room for a wheelchair or scooter to turn around and close the door. There are grab bars which allow easy transfer from wheelchair to toilet. The sink is easy to get to, and the faucets, soap and toilet paper are easy to reach and use.
<b>PD</b>	Patient diagnostic and treatment use	Patients are able to access and use testing and treatment areas, and equipment.
<b>PA</b>	Participant areas	Members can get to and use all common areas and equipment with or without help.
<b>E</b>	Exam room	The entrance to the exam room is accessible, with a clear path. The doors open wide enough to accommodate a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around.
<b>T</b>	Exam table/scale	The exam table moves up and down, and the scale is accessible with handrails to assist people with wheelchairs and scooters. The weight scale is able to accommodate a wheelchair. OR Patients can get on or off medical equipment with or without help.
