

#### **A. Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP)**

CalViva Health is contracted with DHCS to provide Medi-Cal services in Fresno, Kings and Madera counties. CalViva Health is actively participating in the Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP) processes in Fresno, Kings and Madera Counties. CalViva Health's CHA/CHIP participation includes, but is not limited to, providing funding support, exchanging relevant data, joining the local CHA/CHIP governance committees, and engaging/including CalViva Health members and providers in applicable CHA/CHIP events or activities.

The following are links to the CHA/CHIP information for each county:

#### **B. Community Advisory Committee**

CalViva Health's CAC is known as the Public Policy Committee. Effective January 1, 2024, MCPs are required to engage their Community Advisory Committee (CAC) as part of their participation in the LHJs' CHA/CHIP process. Specifically:

- MCPs must regularly report on their involvement in and finding from LHJs' CHAs/CHIPs to their CACs.
- MCPs must obtain input/advice from their CACs on how to use findings from the CHAs/CHIPs to influence MCPs strategies and workstreams related to the Bold Goals, wellness and prevention, health equity, health education, and cultural and linguistic needs.

- Over time, MCPs are encouraged to work with LHJs to rely on MCPs' CACs as a resource for stakeholder participation in LHJ CHAs/CHIPs (e.g., answer survey questions, and participate in focus groups, workgroups, and governance committees).
